Hi Patrice,

I wanted to remind you that I will miss the June CAC Meeting. (Every year I am the Leader to take our high school youth to go build houses in Mexico and it is always the 3rd week in June.) Do you know if there is any issue with my CAC Renewal application? I don't see it on the JPB Board's agenda for this month, are you waiting for the Santa Clara Supervisors to appoint me?  
Since my term on the CAC ends in June, do I still attend the July meeting without re-appointment?

Best Regards,

Yes, I will be there and turn in my application for renewal. But I already know I will miss the June meeting.
